Valentina Petalosi

Selected work

Application to the MS in Strategic Design and Management, Parsons School of Design.

La Paz Neighbourhood Court	Community design
Deriva Collection	Brand management
Ana María Cosméticos	[Project type]
Jacarandas	[Project type]

About me

[Short introduction: background, what you do today, and why strategic design and management is the next step. Four to five sentences.]

La Paz Neighbourhood Court

Context [Neighbourhood, city — who commissioned it]
Role [Your role]
Team [Team size and partners]
Timeline [Duration]

[Two or three sentences: what the court is, the need it answered, and what you were responsible for.]

La Paz Neighbourhood Court

[Step one of the process: listening to neighbours, mapping needs.]

[Step two: design decisions, budget, approvals.]

[Step three: building, coordinating suppliers and volunteers.]

Court in use

Outcome

[000]
[people / families reached]

[000 m²]
[recovered public space]

[What changed for the neighbourhood, and what you learned about managing it.]
